

DaHunt for the Cure & The Children's Hospital at Montefiore REACT Program Fundraiser

Shootin' 4 Survivorship

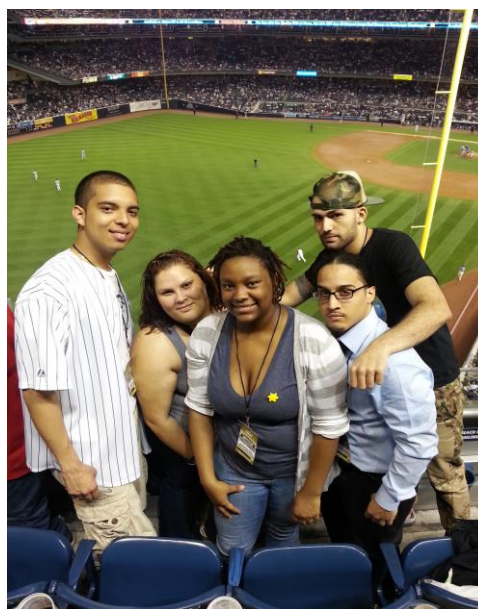

Sporting Clays Event

CHAM's Reassessment and Evaluation After Cancer Treatment (REACT) Clinic is a specialized program developed to improve long-term outcomes of children affected by cancer. Many children suffer long-term side-effects from their cancer and their cancer treatment and as the number of survivors of childhood cancer increases, it is essential to provide this population the care they deserve to live a long, happy, and healthy life. Funds raised by DaHunt for the Cure will go towards REACT's survivorship programs aimed at improving the quality of life of childhood cancer survivors as well as their families.
